

Aluminium Profile

BULLER

ALUMINIUM PROFILE 28.63mm x 11mm x INT 12.2mm

Buller is an inground aluminium profile that is designed to be walked over. The thick diffuser gives strength to the profile and eliminates dots while giving a symmetrical distribution.

Buller is suitable for single rows of low to high output tapes, CCT, RGB, RGBW, RGB+W+WW and some IP rated tapes.

Standard in 2m lengths in anodised finish.

*We can custom colour this profile to suit your project. Please contact us for a quote.

This is an indent product, standard in 2m lengths. Please contact us for lead times.
