

Aluminium Profile

HEATHCOTE

ALUMINIUM PROFILE 24.8mm x 17mm x INT 21mm

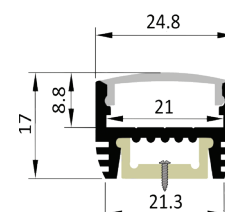

Heathcote is a surface mounted or flangeless recessed aluminium profile with an advanced heat sink, that comes complete with an opal diffuser as standard.

Mounting clips recess in the back of the profile make it ideal for small space installations. The slightly curved diffuser gives a symmetrical distribution with an up-lighting component.

Heathcote is suitable for single rows of low to high output tapes, CCT, RGB, RGBW, RGB+W+WW and IP rated tapes.

Standard in 2m lengths in anodised finish, with custom colour options available.

*We can custom colour this profile to suit your project. Please contact us for a quote.

2m lengths of this product are available ex-stock.
