

Aluminium Profile

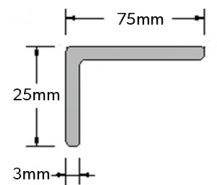

AHURIRI

ALUMINIUM PROFILE 75mm x 25mm x 3mm

Ahuriri is an angled profile meticulously crafted for illuminating signs with IP rated tape. This design features a sleek, diffuser-free construction, making it ideal for installation as a capping above the sign. The profile comes with brackets welded in place to direct light back onto the sign, ensuring a captivating display.

Ahuriri is offered in various sizes, with 75mm x 25mm and 30mm x 25mm being the most popular choices. It comes in a standard anodized finish, but for those seeking a unique touch, custom color options are also available.

*We can custom colour this profile to suit your project. Please contact us for a quote.

This is an indent product. Please contact us for lead times.
