

Aluminium Profile

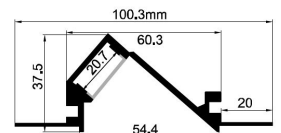

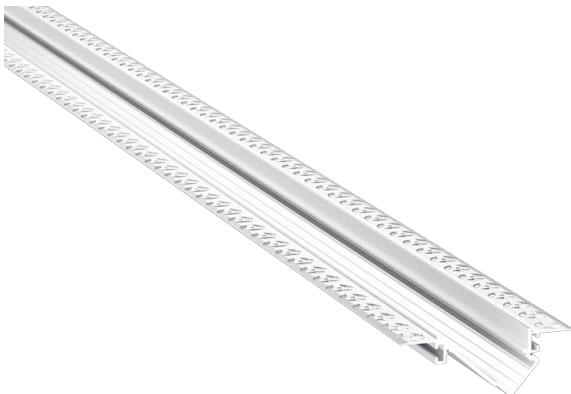

WAITARA

ALUMINIUM PROFILE Width x 37.5mm Depth x 54.4mm Face Int 20.7mm

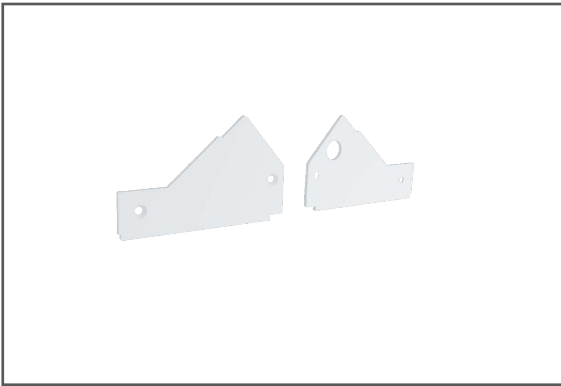

Waitara is a plaster-in profile designed to add a touch of elegance to any space. Unlike traditional straight profiles, Waitara features an angled design that creates fascinating visual effects, accenting architectural features and wall washing. Crafted from durable aluminum, Waitara ensures longevity and resilience. Dimensions, width: 37.5mm, depth: 54.4mm, face int: 20.7mm, and available in 3m lengths, Waitara offers a stunning architectural lighting solution for various applications such as feature walls, bathrooms, and hallways.

We can custom colour this profile to suit your project. Please contact us for a quote.
